Eligibility - Any pony that is registered with the American Shetland Pony Club, the American Hackney Horse Society, or any pony that is the result of the mating of a registered Shetland with a registered Hackney pony is eligible to be recorded in the studbook of the ASPR upon the completion of an application for registration and submission of the appropriate fee.

Height - Maximum overall exhibition height to be 48 inches or less; and the measurement from the high point of the withers to the hairline of the coronet shall not exceed 46 inches.

The ASPR has adopted the Standard of Perfection, Class Specifications and Show Rules of the "Over" division of the Modern Shetland set forth in the Official Rule Book of the American Shetland Pony Club with the exception of the height requirement.

Any pony entering into ASPR classes must meet the dual height requirements and be recorded with the ASPR prior to entering competition.
