NOTE-Amateur members showing in the non-rated novice classes are also eligible to show in regular amateur classes

TO SHOW MANAGERS:

For the 2017 show year, Novice Amateur Classes can be offered at local shows as non-rated classes. A list is attached of classes that can be offered as Novice Amateur, not all classes have to be offered. Show managers can decide which class or classes they wish to offer.

The Amateur committee as a result of donations will provide ribbons for first through 6th place as well as engraved halter plates for first place winners of these classes. Please provide to Lisa Borg 2 weeks prior to your show the number of classes you will offer for each show and she will ensure you receive the ribbons and plates.
