Section, Article, Part & Item Number: Section XII, 1.7, 7 Page # 299

Indicate: Add or Delete: Remove incorrect precision driving diagram and insert correct diagram

Proposed Rule Change (provide desired language and intent of rule):

Remove precision driving diagram and add diagram for hunter in hand (see attached).

Reason/Justification for Rule Change (provide brief description of why this needs changed/added)

The diagram for the hunter in hand class is not included, and judges are unsure how to set it up. The incorrect diagram is shown. This is requested as an extraordinary change as it presents a hardship to show management, exhibitors and judges who may not be sure how the ring procedure is performed.

Proposed Effective Date: January 2021

Committees/Rules that will be effected by change: NSPPR committee
