Proposed ASPC/AMHR Rule Change (Please type or print – Must include Section, Article Part & Item Info)  
Section, Article, Part & Item Number: Section VIII - Stewards, 1.1 Stewards Committee Page # 110

Indicate: Add or Delete: Add

Proposed Rule Change (provide desired language and intent of rule):

- E. Stewards Committee shall review rule change proposals after the Rules Committee has processed initial review to evaluate impact of proposed rule upon Stewards Duties as outlined in the ASPC/AMHR/ASPR Rule Book.
  1. Any issues, concerns or recommendations will be referred back to the Rules Committee for further review.

Reason/Justification for Rule Change (provide brief description of why this needs changed/added)

ASPC/AMHR/ASPR Stewards are responsible to ensure that the rules are interpreted, followed and enforced at all ASPC/AMHR/ASPR sanctioned events. It would be helpful for the Stewards Committee to review rules before they are fully approved to assess the impact upon normal Stewards duties and to address any rules that may be difficult to interpret or enforce at ASPC/AMHR/ASPR event. This would also give the Stewards Committee an opportunity to incorporate any major changes or potential conflicts at any training or clinic session immediately following rule approval and implementation.

The Stewards Committee will not rewrite or approve rules, simply a review for impact and training purposes.

Proposed Effective Date: Immediately upon approval by the Board

Committees/Rules that will be effected by change: Rules, Stewards Committee, BOD
