Re: Proposed Rule Changes

To Whom It May Concern:

Please accept the attached Proposed Rule Change form for the 2021 Convention. I am requesting you to review this proposal regarding the Hardship of a Falabella Blend Horse (FBR) to be added to the Hardship of a Pure Falabella Horse (FMHA).

I have attached a copy of a Falabella Miniature Horse Association (FMHA) certificate (attachment 1) and a copy of a Falabella Blend Registry (FBR) certificate (attachment 2) for you to review. As you can see, both of these certificates are issued under the same association - Falabella Miniature Horse Association. The difference being the FMHA certificate has a gold seal whereas the Falabella Blend Registry does not.

I am requesting this addition to the Section, Article, Part & Item Number – Section IV, 1.7.1 C. (attachment 3) which I am requesting would read:

C. As of March 5, 2007, in order to register a horse registered with the Falabella Miniature Horse Association/~~Falabella Blend Registry~~, the animal must have reached its actual 3rd birthday (or older). A copy of the FMHA /FBR Certificate of Registration along with the AMHR Height Verification form (measured and filled out by a licensed ASPC/AMHR/ASPR Steward and examined by an ASPC/AMHR/ASPR Judge) must be submitted along with the application for registration and appropriate fees.

I have highlighted the addition in yellow.

I reason, I am requesting this addition to the above rule is because here in Ontario the only shows a horse not registered with the AMHR can be shown in are County Fairs and this past year the Ontario Small Equine Association (OSES) added a couple classes for unregistered horses or horses which do carry a breed registry but not a AMHR registration.

I would like to be able to hardship this Falabella Blend Horse to the AMHR in order for her to be shown in a sanctioned show. This would be a win for any member who has a FBR horse without AMHR and also a win for the AMHR as anyone wanting to hardship would pay the hardship fee and then would also be paying to show the horse in sanctioned shows.

My understanding is the AMHR is a height registry and if this Falabella Blend Registry horse meets the height requirements (the same as a pure Falabella Miniature Horse Association horse does), then why could it not be also be hard shipped as it has Falabella blood and is registered by the same people as the pure Falabella horses.

Thank you for taking your time to review this rule and if you require more clarification, please contact me at majesticmeadowfalabellahorses@outlook.com or wdlishman@hotmail.com my telephone number is 289-260-3067.

Sincerely,
