Dear ASPC/AMHR/ASPR Family

We believe in the power of the American Shetland Pony Club Inc., to bring people together, even if the current circumstances seem to want to keep us apart. Our ASPC, Inc., family is facing one of the greatest challenges of our time – the (COVID-19) pandemic.

While our primary concern is the health and safety of our members and staff, wherever they might be, please know that we are also doing everything we can to make it easy for members to continue to do business. As you are aware the ASPC National Office is temporarily closed due to Government mandate, however we are still trying to serve the needs of our worldwide ASPC family.

As of right now, all ASPC sponsored events in April have been cancelled. The ASPC Shetland Congress and AMHR National Show are still running as scheduled. Because of the challenge many exhibitors may face to get qualified, we are closely monitoring the situation and following the guidance of the Center for Disease Control and the facilities, states and federal guidelines.

The Board of Directors are meeting weekly via conference calls, and promise to keep you up-to-date on the latest developments, and to walk down this path with you as partner friends and family. Please check the website shetlandminiature.com for all communication with ASPC news.

After lengthy discussion, and due to many shows cancelling and unable to reschedule across the Country, The Board of Directors have voted to suspend all Year-end awards for 2020. (Pony/Horse of the Year) (Breeder of the Year) (Amateur/Youth of the Year)

ASPC is here to help, and we want you to get the most out of your membership in good times and challenging times like we face today. If you have questions, please email jill@shetlandminiature.com.

We're going to get through this difficult time together, as family.

Stay Safe & Healthy
